2. Will this internship be a requirement for a certificate or concentration?

3. Do you plan to conduct JP/senior thesis research during the term of your internship? (Yes/No)

   If you are receiving funding for an international internship, you are not eligible to receive senior thesis research funding from Princeton. Exceptions may be made with explicit permission from your adviser. If you wish to seek such an exception, you must consult with the Streicker Fellowship adviser before submitting this application.

4. Please list any accommodations you may need to fully participate in an internship.

   Princeton is committed to providing you with resources for the duration of your program. Please list any accommodations required to fully participate in an internship so that Princeton may prepare you for the summer and provide resources you may need based on health, wellness, identity, diagnosed, religious or dietary restrictions.

5. Are you a first-time traveler?

6. Are you part of an athletic team at Princeton?

7. Have you discussed your plans to participate in an IIP with your parents(s) or guardians(s)?

8. Do you have a valid passport that will remain valid for another SIX MONTHS after your IIP?

   If you do not have a passport, we encourage you to apply for one now as it can take up to 8 weeks to receive it.

9. Have you reviewed the previous evaluations for the IIP(s) to which you are applying?
